As your premium partner for vehicle tuning, we offer you the best warranty services after a performance upgrade with up to **5 years warranty** after initial delivery of the vehicle. You can find the exact warranty conditions at: www.abt-sportsline.com/service-and-warranty

In some cases, a TÜV certificate is only available at a later date. Please inform yourself before the performance increase whether the TÜV certificate for your vehicle variant is already available. Please check the already installed tires with regard to the speed release. If the tire is not released up to the specified maximum speed, appropriate tires must be installed as an alternative to the ABT Power performance upgrade.
